Subject: Accreditation of Neurosurgery discipline for FCPS training at Bacha Khan Medical College / Mardan Medical Complex, Mardan.

Dear Sir,

We are pleased to inform you that (in accordance with the laid down rules and regulations for accreditation of training programmes), the College of Physicians & Surgeons Pakistan, on the basis of physical re-inspection conducted on November 09th, 2022 & confirmation of rectification of deficiencies, has decided to accord accreditation to **Bacha Khan Medical College / Mardan Medical Complex, Mardan** for FCPS training as under:

1. **Neurosurgery:**
Accreditation for FCPS training.

For continuation of accreditation status, re-inspection is mandatory after 05 years for maintenance of improvement. It is the responsibility of head of the institution to apply for re-visit at least 3 months before expiry of accreditation status.

The accreditation of the institution is valid subject to availability of R&RC registered supervisor & strict compliance with the following conditions.

- 1) The induction of trainees must be as per CPSP policy.
- 2) The training period must be supervised and registered. Trainees are required to be registered with the Registration & Research Cell (R&RC) of the College **within 30 days** of commencement of their training. This is mandatory requirement failing which R&RC will refuse registration.
- 3) The R&RC (CPSP) should be informed regarding the transfer / posting of the supervisor consultants and ensure the training of the trainees is not affected.
- 4) Proper & updated maintenance of the **E-Log** in accordance with the CPSP guidelines & quarterly performance report.
- 5) Every trainee must be paid **stipend** for training at par with that paid by the Federal / Provincial Governments. Honorary training is not allowed.
- 6) No tuition or any other fee will be charged from the trainees

College of Physicians & Surgeons Pakistan

- 7) The Institute shall also be bound to allow / permit and facilitate its teachers, fellows / supervisors to take part in academic activities of CPSP including teaching, training, workshops, courses, examinations etc when and where needed inside and outside the country. They shall be entitled for TA/DA as per institution rules and regulations.
- 8) **Leaves:**
- (i) **Annual Leave:**
15 days leave is admissible during six months of training period, this leave cannot be, however accumulated and carried forward. The total leave cannot be taken at one time; the leave can be availed with the approval of head of department.
- (ii) **Maternity Leave:**
Only three months can be availed once during the entire training period. The lapse period of training will have to be completed afterwards and it will be the responsibility of the trainee to fulfill the deficit period of training before being eligible for the final FCPS examination.
- 9) **Training program** for PG students in accordance with CPSP guidelines must be submitted within 3 months of induction of trainees by the Supervisor / Head of the Institution. This should include calendar of continuous medical education, namely Ward Presentations, Journal Clubs & Topics Oriented Presentations with the name of trainees and the facilitators.

It is desirable that the institute shall endeavor to continuously improve and upgrade the facilities of educational atmosphere for Postgraduates.

Sincerely,

Prof. Abdul Razaque Shaikh
